

## **Policy for Proactive Dissemination**

This policy governs the dissemination of statistics to users

1. PCBS is obliged to disseminate statistics on the dates set in the statistical calendar.
2. PCBS is obliged to disseminate statistics equally to all users at same time
3. PCBS may consult with administrative data sources on issues related to the dissemination of the findings before the actual release date.
4. According the Code of Practice, PCBS' President and other employees are obliged not to release results to other formal or informal parties before the approval of the results according to PCBS' procedures related to Press Releases, Statistical Report and Public Use Files.

**This policy is issued on Monday 03/12/2012**

**Ola Awad, President**
