**Press Release by the Palestinian Central
Bureau of Statistics (PCBS) & Ministry of
Culture (MOC) on the occasion of the
Palestinian National Culture Day**

To mark the Palestinian National Culture Day on March 13th, PCBS & MOC reviewed the status of cultural institutions in Palestine.

The COVID-19 pandemic affected the reality of cultural institutions during 2020 due to frequent lock-down measures to limit the spread of the virus. While the year 2021 witnessed a remarkable improvement in the reality of cultural institutions, as the number of cultural activities held in cultural centers increased, museums witnessed a remarkable turnout of visitors compared to 2020, and theaters also witnessed a turnout from viewers for their plays shown in theaters. Below are the most prominent statistical figures that reflect the reality of cultural institutions during the year 2021.

The number of institutions¹ working in cultural activities in the private and the non-governmental sectors in Palestine reached 1,086 in 2017, where such institutions employ 3,882 employees, of whom 2,924 are males and 958 are females. In the West Bank, the number of institutions working in cultural activities reached 729 (67%) with 2,574 employees, of whom 74% are males and 26% are females. Whereas the number of institutions working in cultural activities in Gaza Strip reached 357 establishments (33%), where the number of employees reached 1,308, of whom 77% are males and 23% are females.

Hence, such institutions were distributed in Palestine by employment size group into small-sized institutions that employ (1-4) employees, where they reached 858 institutions (79%), medium-sized institutions that employ (5-19) employees, where they reached 211 institutions (19%), and large establishments that employ (20 employees and more). The number of those institutions reached 17 at a percentage of 2%.

¹They are institutions that are classified as cultural institutions, regardless of whether they engage in cultural activities or not

**The Number of Cultural Centres Operating in
Palestine Increased Compared to previous year**

The number of cultural centres operating in Palestine increased from 528 cultural centres in 2020 to 577 cultural centres in 2021, with a clear gap in the number of cultural centres between the West Bank and Gaza Strip.
