## Concepts and Definitions

### **Man power**

All persons in the West Bank and Gaza Strip aged 15 years and over.

### **Reference week:**

The week ending on Friday preceding the interviewer's visit to the household.

### **Employed:**

All persons are 15 years and over who were working at a paid job or business for at least one hour during the reference week, or who did not work, but held a job or owned business from which they were temporarily absent (because of illness, vacation, temporarily stoppage, or any other reason) during the reference week. Employed persons are classified according to employment status as follows:

1. Employer
2. Self-employed
3. Employee
4. Unpaid family member

### **Unemployed (According to the ILO Standards):**

Unemployed persons are those individuals 15 years and over who did not work at all during the reference week, who were not absent from a job and were available for work and actively seeking a job during the reference week. Persons who work in Israel and were absent from work due to closure are considered unemployed, and also those persons never work and not looking for work but waiting to return back to their works in Israel and Settlements.

### **Unemployed (According to the Relaxed Definition):**

The number of unemployed persons was calculated under the relaxed definition by adding to unemployed persons according to the ILO Standards, those persons outside labour force because they were frustrated

### **Labour force:**

The economically active population (Labour Force) consists of all persons 15 years and over who are either employed or unemployed as defined above at the time of survey.

### **Underemployment:**

Underemployment exists when a person's employment is inadequate in relation to alternative employment, account being taken of his/her occupational skills.

### **Persons outside labour force:**

The population not economically active comprises all persons 15 years and over, who were neither employed nor unemployed accordingly to the definitions above.
